

FUTURE PLANS

- 1 Encourage Natalie's new groups for our children and/or young families and growing new leaders to support them in the coming year. How can our PCC and wider Church family help facilitate that?
- 2 Build on our monthly 'All Together' worship, with improved forward planning and involvement.
- 3 Re-visit our access problems to/at St Dunstan's and London House and improve facilities for those with mobility issues; finalise plans for our 'Quiet Area' in the North Aisle after long (unintentional) delays.
- 4 Review and improve all our PCC policies on: H&S, Churchyard Regulations, Safeguarding and Trustee responsibilities. How can our PCC take more collective ownership of decisions made together and then action them?
- 5 To embrace and welcome our Lay Assistants in their 'extended' sacramental ministry to the sick and housebound.
- 6 To consolidate the excellent work already now in motion from our former 'Growth Group' and now to link that with our planned and very comprehensive Stewardsip Campaign for October 2020.
